MIRROR
PUNK DAWN

Foreward

"All the world's a stage,
And all the men and women merely players."
Shakespeare.

Using this for our theme, we have planned the year book as a play. We present the Prologue, containing the Dedication and Administration; Act I, the Seniors; Act II, Underclasses; Act III, Activities; and the Epilogue, the School Calendar.

That it may help you to recall only pleasant memories of your high school days is the wish of

The "Mirror" Board of 1940.

ADMINISTRATION
PROLOGUE

DEDICATION

In recognition of the fact that the modern school is interested in the development of a sound body as well as a trained mind, the class of 1940 dedicates this issue of the "Mirror" to the one who for three years has been director of physical education and basketball coach at P. H. S., to

MR. MARVIN CLARK.

BOARD OF EDUCATION

Without the capable and wise planning of this group of men, the Punxsutawney schools could not be the progressive institution which they are. These men serve without pay; they work simply because they have the betterment of the community at heart. Their work is done chiefly through five committees, each having three members. These committees are—Finance, Supply, Building, High School and Athletic Committees.

The regular meeting of the school board is held on the second Monday of each month. The officers are: President, Mr. John M. Harvey; Vice-President, Mr. James M. Coble; Treasurer, Mr. George P. Grube; Secretary, Mr. D. Raymond Thomas.

Between Acts

ETWIXT and around some chewing gum . . . we heard . . . a four year man say—

"Pictures are funny things . . . people are funny things . . . people call pictures funny things . . . sometimes pictures are called a 'morgue' . . . a morgue is where they lay out dead people . . . some people take pictures with a 'dead pan' . . .so they call pictures a 'morgue' . . . other times a collection of pictures is called a rogues' gallery . . . we feel that no explanation is needed . . . neither do we refer to the preceding pictures . . . certainly they are not rogues . . . nor do they have 'dead pans' . . . but unless a quick change kills the reporter's vernacular . . . they may be in the morgue . . . same say they ought not to be exempt from the other . . . if childish pranks warrant the rogue's gallery . . . but we're alumna shortly . . . and no tattling . . . and we do mean 'alumna' . . . you may be alumnae . . . but we're alumni . . . so you and we are alumna . . . but alumna, alumnae, or alumni . . . rogues' gallery or morgue . . . we still look pretty good in here . . . oh yes . . . we do mean . . . the first sentence . . . pictures are funny things."

Between Acts

Continued

BETWEEN acts let us introduce a representative of each group on our school. First we shall consider that rare biological specimen, a Freshman. This study must be conducted promptly at bell time, and must end at closing time, for most of these creatures scurry to school and scamper home again. They are apt to pop up most anywhere, so have your apparatus ready for them. Your equipment may consist of a net and a flashlight, the last to look into the corners where they sometimes lurk. Also a word of caution, watch your step, you wouldn't want to injure any of them. They are usually laden with books, horn-rimmed spectacles, and Lord Fauntleroy collars and "skippy" ties. . . .

Secondly, let us consider the Sophomores, best at a distance, or if nearer, with ears well stuffed, for they are quite a vociferous lot and have been known to cause permanent deafness by incessant chatter. They are usually armed with compass and ruler; they dash madly through the school, charging wildly up and down stairs and from one building to another.

Next let us present the Juniors. Now these are quite tame, and can usually be approached without harm. They may be used as faithful valets for Seniors and can be thoroughly domesticated, though now and then a slight chastisement must be administered to remind them of their inferior position. They are generally characterized by their meekness, amiability, and latent talent. Given proper training, they are capable of great things.

Now we shall produce the highest group of *homo sapiens,* the Seniors. These may be compared to the full grown butterfly in the perfection of their attainment. They alone neither take to the shadows nor barge ahead at top speed, but walk stately and sedately, if butterflies walk. They are firm, not harsh, but not meek, their abilities have asserted themselves, and they are capable of carrying on the heavy industry of their surroundings, with which they are entrusted. Neither words nor phrases can tell of nor describe this group; the only media that does them justice is a personal, first hand view, or, in some cases, pictures. The first method, however, is usually preferred.

Last of all, we have those brave and hardy souls who have given their lives to the grooming of these folk. Their career is one of hazard, fraught with long hours of struggle to decipher, grade, and file papers, filled with weary days of yelling at sleeping scholars, haunted by the ever-present fear of a nervous breakdown, faced by the prospect of transposing their learning on countless score of wild and wooly rascals, but cheered by the sight of departing Seniors.

So these five work together, study together, and are comrades with each other, to form that great institution known as our High School.

EDITORIAL STAFF OF "THE MIRROR."

The editorial staff is responsible for the collecting and editing of the material published in the three regular editions of the "Mirror." It also plans the annual. To the uninformed this may seem like a simple task, but those who do the work have experienced all the thrills of a city editor as the dead line draws near for the magazine to go to press.

The four typists deserve a great deal of credit for the efficient and willing cooperation in preparing the material for the printer.

BUSINESS STAFF OF THE MIRROR

The business staff of THE MIRROR has fourteen members. This year Ruth Thomas is the business manager and Donald Barkley, the circulation manager. The staff is under the supervision of Mr. Boyd, who chooses the members early in the school year.

Perhaps there are many students who do not understand the duties of this group. It is their duty to communicate with the stores and arrange for the advertisements in THE MIRROR. This is really important because of the financial support it gives. Before each number is published, the members must see if there are any changes to be made in the advertisements. After THE MIRROR is published, they must be delivered to the stores. At the end of the year, the business manager is responsible for the collection of all money for THE MIRROR.

This staff is one of the busiest groups in school, working the whole year through.

HI-LIGHTS STAFF

For the first time in the history of our school, a Journalism class has been offered to the students. This year the Journalism class had the responsibility of publishing the HI-LIGHTS. All material was written by the class, which is under the supervision of Miss McLeavy. To be a member, a student must be recommended by his or her English teacher.

This year Richard Jenks is the Editor-in-Chief, with Helen Lossman, Fred Hutchison, Helen Staikides, Norma Smith, and Clifford Weiss as columnists for the last semester. William Gatti, a member of the Camera Club, is the staff photographer.

Although the class is small, it has been very successful in editing our school paper. The first year of the class has been a successful one, but it can be expected that the class will enlarge and be even more active in the future.

USHERS' CLUB

One of our more recently organized clubs is the Ushers' Club. Founded by Mr. Downie three years ago, this club has continued to flourish. The officers are Albert Mack, President; Torrence Carnahan, Vice President; Andy Hoy, Treasurer. Throughout the year, the club has held several meetings under the supervision of Mr. Boyd. The fifteen boys who belong to this organization have proven very helpful and courteous this year and we are grateful to them.

One can see the ushers in their white jackets cheerfully assisting people in the auditorium. Not only at plays are the ushers helpful, but they also work at basketball and football games.

THESPIAN SOCIETY

Since 1927 the Thespian Society of P. H. S. has been diligently working in behalf of better dramatic achievements.

This year industrious Thespians have been producing monthly chapel plays, which are under student direction.

The Club is capably supervised by Miss Margaret C. Boles, head of our Department of English.

Thespians meet on the second Monday of every month, at which time they discuss recent movies, Broadway plays, and pointers for better acting.

This year the Society with the aid of the Alumni Players purchased baby spot lights, which make possible unique lighting effects.

The officers of the Club are President, Helen Staikides; Vice-President, Charlotte Long; Secretary, Marie Hetager.

PLAY CAST

This year, "She Stoops to Conquer," by Oliver Goldsmith, was presented as the annual high school play. The production, which was presented on March the first in the high school auditorium, was directed by Miss Margaret C. Boles.

The play of comical nature concerned two London gentlemen, who sought their loves in Squire Hardcastle's manor. However, these gentlemen, deceived by mischievous Tony Lumpkin, mistook the Squire's house for an Inn. From this situation the plot develops into a humorous drama.

The expert cast contributed greatly to the play's success. The characters were: Squire Hardcastle, Richard Jenks; Mrs. Hardcastle, Marjorie Stoops; Kate Hardcastle, Peggy Zeitler; Miss Neville, Ellen Boyd; Marlow, Robert Kuntz; Hastings, Bill Gatti; Tony Lumpkin, Donald Meneely; Diggary, Thomas Bullers; Dick, Mike Misurda; Roger, Max Harriger; Maid, Norma Smith; Innkeeper, Bill Schrencongost; and Marlow's father, Bill Gibson.

The cast was becomingly attired in costumes of the eighteenth century. The beauty of the costumes was further enhanced by the new lights, which were in use for the first time.

STAGE CREW

First Row—R. Hazlett, R. Hense, H. Grube, E. Anderson.
Second Row—G. Moot, T. Marvin, Mr. Fullerton, G. Weiss, N. Passerell.

GENERAL STAGE CREW

The stage crew consists of eight members with Robert Hense as General Manager, under the supervision of Mr. Fullerton. This crew has many tasks to perform. They have charge of the stage equipment, such as, scenery, lights, and light effects for various activities put on by both the grade and high schools. They also assist in setting the stage for programs when the auditorium is contracted by organizations other than the school. They sometimes work as long as twenty-five to thirty-five hours getting the equipment prepared for some event.

Each member is experienced in the line of electricity, art, or woodwork. Although many of the people are not aware of it, the work of the stage crew is a very valuable asset to every program conducted in the auditorium.

CHEERLEADERS

Sis! Boom! Ah!

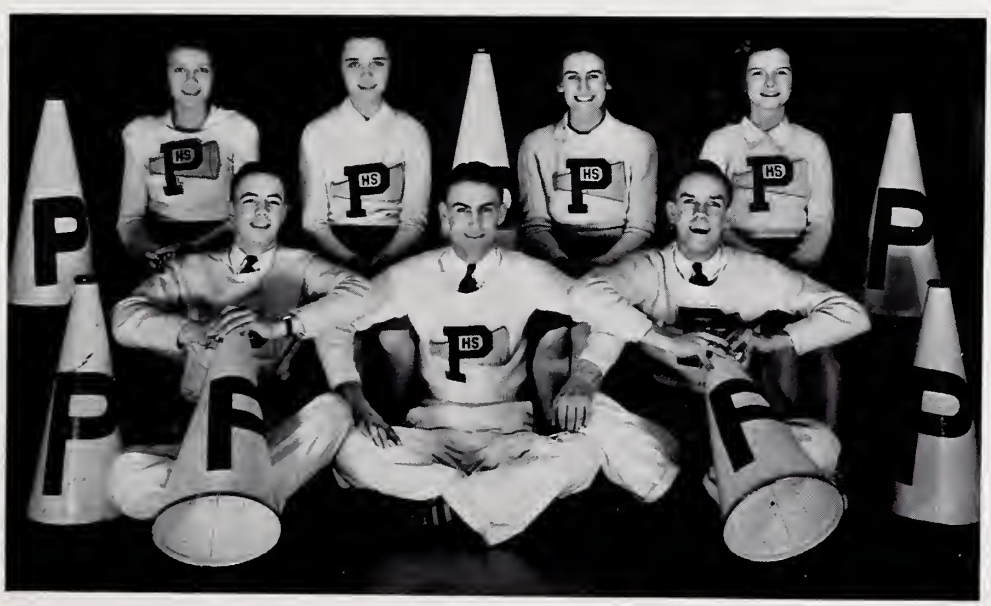
You've guessed it, that's Punxsy's cheerleaders putting you through your paces again. These boys and girls did a fine job of cheering the various athletic organizations on to victory. Rain or shine this group appeared at the football games, and never with dampened spirits.

We are especially proud of this group's fine sportsmanship.

Wanda Dunmire, with the aid of Anna Lou Wolfe, Ruth Thomas, Ruth Dickey, Phil Dunmire, George McHenry, Eugene Quinn, and Miss Purnell as faculty adviser, has given us something new in cheerleading.

CHEERLEADERS

First Row—E. Quinn, P. Dunmire, G. McHenry.
Second Row—A. Wolfe, R. Thomas, W. Dunmire, R. Dickey.



MAJORETTES

J. Evans, A. Bauer, H. Rentchler, D. Randall, N. Neverla, B. Smouse, D. Shaffer.

MAJORETTES

For the first time in the history of P. H. S., broad-smiling, high-stepping, drum majorettes led P. H. S.'s crack band. These girls consisted of two groups—the twirling and the tumblers. The tumblers not only did acrobatics, but they did twirling as well. The twirlers were: June Evans, Miriam McCormick, Ann Bauer, and Helen Rentschler; and Betty Smouse, Nathalie Neverlia, Dorothy Randall, and Dorothy Shaffer gave us those fine exhibitions of tumbling—thanks to Posey Morgan. Both groups, however, received their twirling training from Donald Mumper, drum major of the band.

This has hit a new high in P. H. S. and it is expected to be continued in years to come.

THE FOOTBALL TEAM

This year was a fairly successful one for the football team. Outweighed in nearly all of the contests, the Chucks came out of the season with six wins, three defeats, and one tie. Whether won or lost, the games were all well fought. After much difficulty in each case, the Chucks took the first three games from Clarion, Johnsonburg, and Reynoldsville. They met their first defeat at the hands of the heavy Kittanning team on a muddy field, after which they were held to a scoreless tie by Indiana in a great defensive game. After downing Brookville and Curwensville, the locals lost to Clearfield, considered one of the best teams in the section. With a win chalked up against Sykesville, P. H. S. lost to DuBois because of inexperience in playing under lights.

Although thirteen players will be lost through graduation, there is a bright outlook for next season, when most of the games will be played under lights.

FOOTBALL TEAM

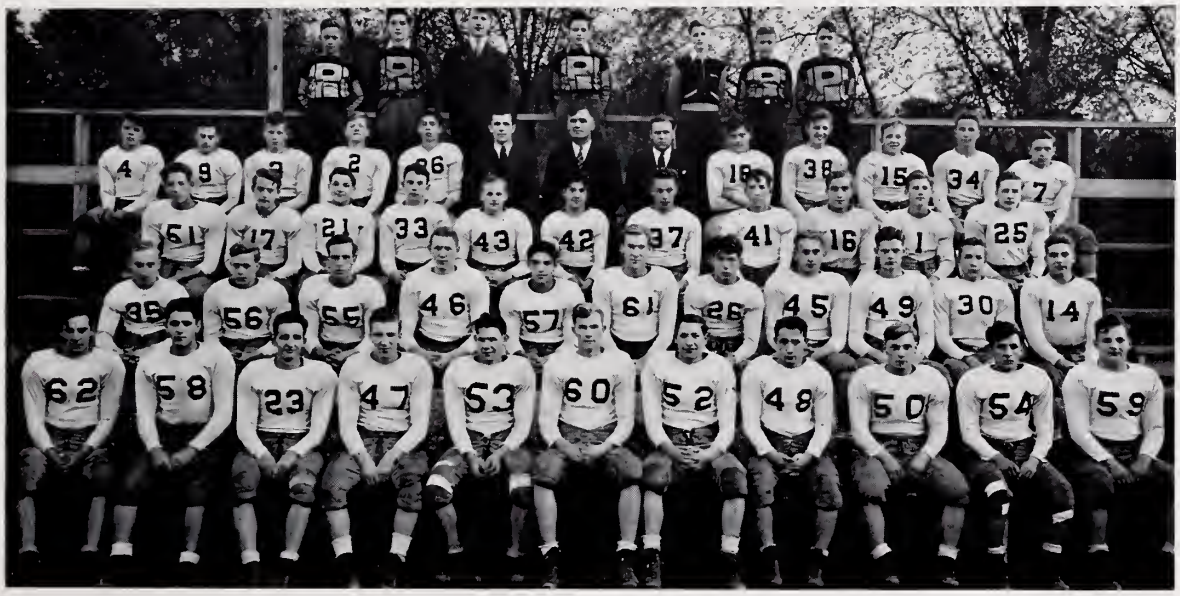
Fourth Row—Williams, Means, Colkitt, Wolf, Dawson, Mr. Schilling, Mr. Harrick, Mr. West, McGee, Guignet, Bridge, Lepo, Corrinne.

Fifth Row—Brocious, Myers, Dougherty, Crissinger, Elbell, Hicks, Lyle.



VARSITY BASKETBALL SQUAD

First Row—R. Swarm, J. Adams, J. Phillips, T. Duganier, S. Serrian, L. Heitzenrater.
Second Row—Mr. Clark, R. Lyle, R. Depp, G. Hritz, J. Lanzendorfer, T. Villella, T. Carnahan. (Student Manager).

THE VARSITY BASKETBALL TEAM

Paced by Sammy Serrian, our star forward, the varsity basketball team came out on top this year with eleven victories in twenty-one starts and outpointed their opponents 540 to 527. Although this record does not seem impressive, it included some of the most thrilling games ever played on the P. H. S. floor. What loyal fan will ever forget the Curwensville game, which our team won 28-27 by steps of a Golden Tide player in the last few seconds of the game? Or the DuBois game, when Jack Adams dropped in a field goal to break a tie and win the game 31-29 in the last two minutes of play?

Eight players will receive their letters this year, namely: Jack Adams, Jim Phillips, Lynn Heitzenrater, Sam Serrian, Anthony Duganier, Dick Swarm, George Hritz, and Bob Depp. Of these, only two are seniors, Adams and Phillips. Although these players will be greatly missed, a good season next year is in prospect for Mr. Clark's team with other varsity and junior varsity players to fill their positions. Sammy Serrian, one of the league's high-scoring players, and Jim Phillips were chosen on the sectional first and second teams respectively.

THE JUNIOR VARSITY BASKETBALL TEAM

Although they won but two of their twelve games, the junior varsity basketball team plays quite an important part in P. H. S. athletics. The members are taught the fundamentals of the game by Mr. Schilling, their coach, which saves much time for Mr. Clark when the boys become varsity players. They receive much practical training in the preliminary games at nearly all the regular basketball games. Bernakis and Wilmoth were the leading scorers with forty-three and thirty-eight points respectively, while Fry, Haverilla, Guzzy, Hicks, Guignet, and Heitzenrater also saw much action. Although these boys receive little or no praise, it is almost impossible to estimate how important a part they play in our athletics.

JUNIOR VARSITY BASKETBALL SQUAD

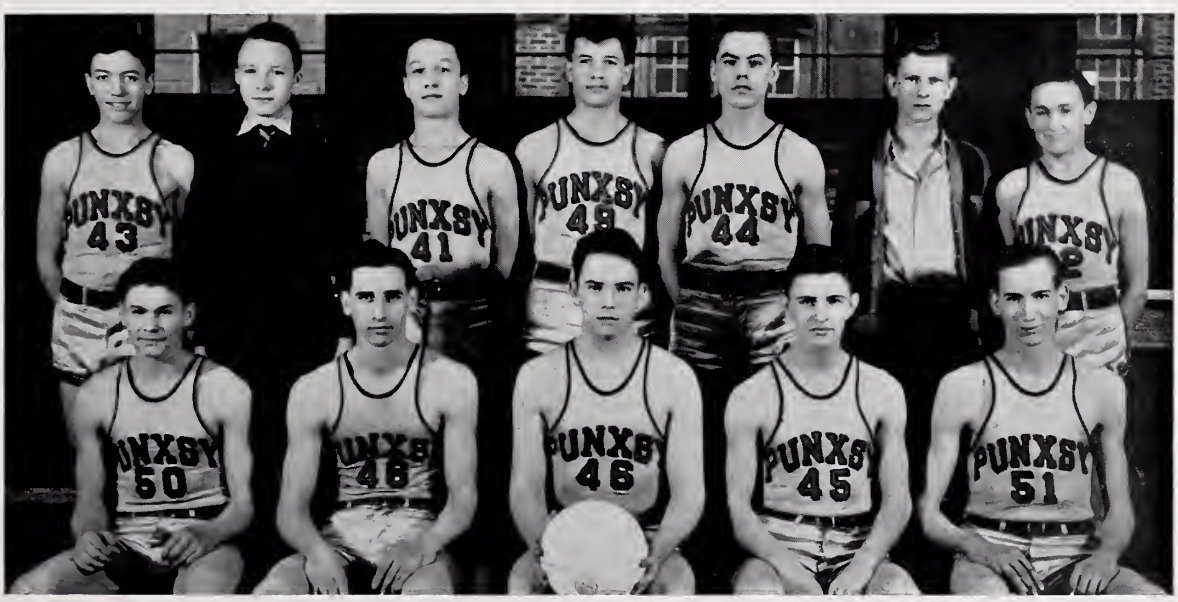
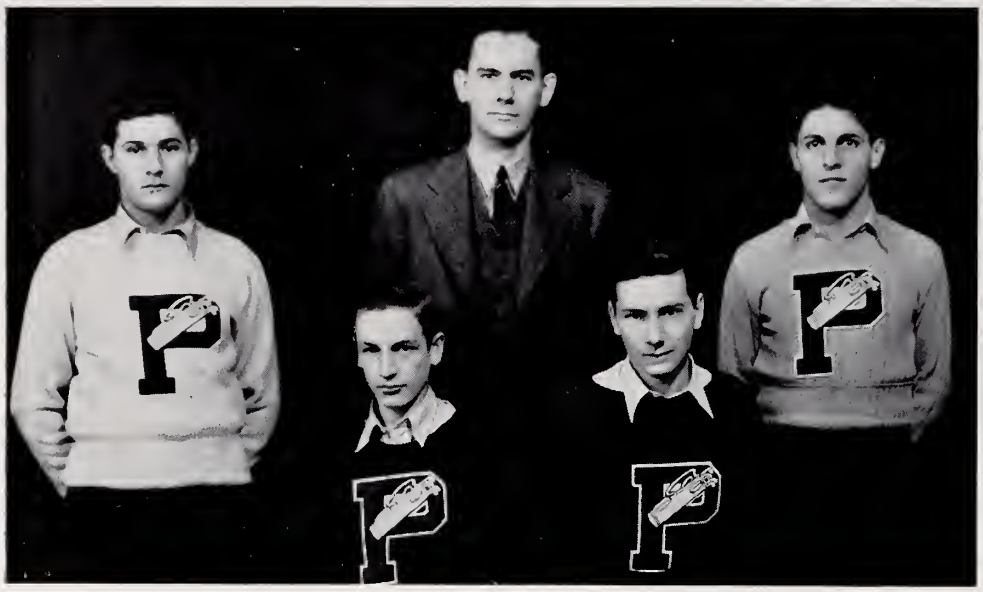
Second Row—E. Fry, T. Kelso, D. Wilmoth, A. Haverilla, J. Bernakis, J. Haney, M. Hicks.





GOLF TEAM

First Row—J. McGonnigle, G. Knopic.

GOLF CLUB

Among the various clubs of the school, we have the Golf Club. This club is not organized, but consists of teams, four men on a team. The members play five matches a year and are eligible to play in the state tournament. The club, which is under the supervision of Mr. Caylor, has been quite successful. Evidence of this is found in the fact that the team now occupies second place in the league.

Although this branch of athletics at the present time is not so popular with the student body at large, it is hoped that in the future it will figure as one of the major sports in P. H. S.

VARSITY CLUB

The Varsity Club is a club of all men and all lettermen. Only those who have earned their spurs at some athletic event are eligible for consideration, and a letter is the ticket for admission. The club was first organized in the fall of '37 with the aim and purpose of furthering good sportsmanship, of stressing the duty of a varsity member to his school team and his town, his proper conduct at school and in the community, on the field and when in contact with opponents at home and abroad. Besides furthering these fine qualities, the club gives its members something of material value, presenting each letterman with a sweater during his final year. The faculty adviser for this splendid organization of 45 members is the football coach, Mr. Harrick. Bob Straitiff was chosen President; Fred Kovalyak, Vice-President; Paul Beo, Secretary, and John Henry, Treasurer.

ORCHESTRA

Undoubtedly, everyone in P. H. S. is familiar with the school orchestra. It is one of the busiest organizations in school. Every student has heard the orchestra, at dismissals, going to and from chapel, or during the operettas or plays. It is sometimes called upon to play at different affairs of the community also. The orchestra is under the capable supervision of Mr. Kester, our music director. The officers this year are President, Carl Magnusson; Secretary, Cecil Payne; Librarian, Joyce Ryder; and Student Manager, Earl Colkitt.

Membership is obtained by proficiency on one instrument. The purpose of the orchestra is to give musical training to those who are interested in it. The orchestra has increased rapidly in size during the last few years.

THE BAND

President, Carl Magnusson; Vice President, Robert Sink; Secretary, Cecil Payne; Librarian, Harry Startzell; Student Director, Earl Colkitt; Drum Major, Donald Mumper.

One of the best years of the band, organized nine years ago by Mr. Kester, was climaxed with the annual concert under the direction of Dr. Cheyette, head of the music department at Indiana State Teachers College. Organized in 1931, Mr. Kester's first year at P. H. S., the band has grown from an inexperienced group of twenty-three musicians to its present size of about seventy-five members and is rated as one of the best high school musical organizations in western Pennsylvania. This year was an eventful one for the band, for it included many innovations. After a number of years of hard work, the band has purchased their new uniforms. The addition of the majorettes and the color-guard has greatly enhanced its marching appearance. It has nearly reached perfection in instrumentation with the addition of the string bass. Although the band will lose some fine musicians through graduation, it hopes to improve next year in all respects.

The choir is composed of seventy-two members. It was active throughout the entire school term. It presented "Hollywood Extra" on February 1. The cast included Robert Sink, William Gibson, Jeanette Gall, Ruth Staley, Mary Jane Freas, Earl Colkitt, Elaine Shaffer, Donald Meneely, Donald Barclay, and Carl Magnusson.

Throughout the school year the A Cappella Choir has sung at the various churches in our community. The choir also furnished the music for the Baccalaureate services.

This musical organization was a decided success this year. Much credit is due it for its excellent services. We feel sure that it will continue as one of the most popular and active organizations in years to come.

HOME ECONOMICS CLUB

After several years of inactiveness, the Home Economics Club has been reorganized under the direction and supervision of Mrs. Steffy.

The sole purpose of the club is to create and stimulate interest in Home Economics work. Besides many other activities which the club had entered into, they have taken on the responsibility of costuming Junior High and High School productions. The club is also an affiliated member of the state Home Economics Department.

Helen McQuown is the president. Her cabinet consists of Vice President, Sarah Ann Bland; Secretary, Vivian Fetterman; and Treasurer, Marjorie Smith. Meetings are held twice a month in the Home Economics laboratory.

Membership is voluntary. Anyone in the advanced classes, who is interested, may belong. The meetings are conducted in French. Familiar games are played by substituting French for the English ones. Anagrams help to increase the vocabulary, while the commonly used proverbs and popular song titles are translated into French. The members also learn to sing French songs. Topics which deal with the cultural background and development of France and current happenings are discussed by the members. Movies which concern France and Europe in general are sometimes shown.

The club meets on the fourth Monday of each month. The club officers are Marguerite Liebold, president; Fred Hutchison, vice president; Ruth Rhoads, secretary, and Anne Mae Weaver, treasurer.

In the first meeting the members voted on the boys who were to be inducted as new members. In due order the new members were initiated into the club by an initiation which was very impressing to the initiates and very funny to the spectators.

In November the club sent nine of its members to Ebensburg to the annual Hi-Y convention. Here the boys participated in electing a district leader for the next year and engaged in various constructive activities.

During the months of February and March the club, in close cooperation with the Tri-Hi-Y, entered the state-wide Bible Study Contest. During the year the Hi-Y sponsored several dances and basket ball games.

Throughout the school year the Hi-Y has sought "to create, maintain, and extend throughout the school and community high standards of Christian character."

TRI-HI-Y

Since the Tri-Hi-Y has been organized, it has endeavored to create, maintain, and extend throughout the school and community high standards of Christian character.

This club meets every Wednesday night at the Central Y. M. C. A. Miss Ida Thomas is the very popular and able advisor of this organization.

The club members try to have a four-fold month, which includes four objectives: spiritual, social, educational, and mental. At each meeting they stress one of the objectives, having speakers to instruct them on some phase of the subjects. The Club also participated in the Bible Study Contest.

Among others things, the girls have done this year are: distributing baskets and toys to needy families at the Christmas time, leading Chapel devotions, and helping at the Y. M. C. A. campaign dinners.

The girls also purchased gold sweaters this year, together with Tri-Hi-Y emblems.

The Camera Club provides all pictures for the "Hi-Lights." Pictures of club members and club groups are taken for the "Mirror." The developers are compounded by members of the club and bulk film is used in picture taking. The personnel of the club are permitted to explore the mysteries of photography in the dark room during study periods as well as after school. The members snap pictures of various organizations to advertise plays, concerts, and other activities.

In the future the Camera Club is planning to branch out on portrait work, night photography, and flash work.

The officers are Donald Mumper and John Allsip who act as co-presidents. Each in turn acts as chairman or recorder of the meetings. Bill Gatti is the official "Hi-Lights" photographer. Mr. Straitiff assists Mr. Heil in the administration and activities of the club.
